Why Dynabook?

Over three decades of business innovation

Dynabook is the world's laptop pioneer, with an unrivaled track record of helping businesses succeed with leading-edge mobile solutions.

Dynabook controls the entire process

For unmatched quality and reliability, our Portégé series PCs are designed, engineered and manufactured at Dynabook facilities. The same goes for our image development services.

Quality, reliability, performance. You have our assurance

Dynabook's extremely rigorous pre-production testing process for our business-class mobile computers has dramatically lowered annual field failure rates.

Product Highlights

Performance For Maximum Productivity

Featuring powerful 13th Gen Intel® Core™ processor options, the PORTÉGÉ X30W-K can be configured with up to 32GB of LPDDR5 and is reinforced with ultra-fast SSDs and Thunderbolt™ 4 for uncompromising performance.

Ultralight Windows 11 Intel® Evo™ 2-In-1

From artists to business owners and more, the PORTÉGÉ X30W-K 2-in-1 laptop weighs in at under 1kg and is designed to foster next-level creativity and take care of business from literally anywhere.

Unleash Your Inner Artist

The PORTÉGÉ X30W-K's tablet flexibility is ideal for bringing ideas to life with a vibrant 13.3" Corning® Gorilla® Glass display and Wacom® pen, offering natural, precise input for an unparalleled creative experience.

Next Level Connectivity

Thunderbolt 4 ports connect modern accessories at blazing speeds. Dynabook docking solutions can connect up to four 4K displays and a variety of USB and USB-C devices with a single cable connection

A Unique Perspective

A front-facing HD webcam with a privacy shutter ensures clear video conferencing, while an 8MP worldfacing camera* with anti-glare coating produces high-quality photos and videos in tablet mode.

* Only available on models with 28W or P processors

Tested To Military Durability Standards

With a magnesium alloy chassis and Gorilla® Glass display, this 2-in-1 meets MIL-STD-810H durability standards and is engineered to endure extreme working conditions.
